THE  
CONCEPT  
OF

**Purgatory:**  
A state or place of purification after death; according to the Roman Catholic creed, a place, or a state believed to exist after death, in which souls of persons purified by expiating such offenses committed in this life as do not merit eternal damnation, or in which they fully satisfy the justice of God for sins that have been forgiven. After this purgation from the impurities of sin, the souls are believed to be received into heaven.

THE CAUSE OF SIN

Sin is the ultimate act of pride because it says, "Move over, God; I'm in charge. I will say what I want to say. I will do what I want to do. I will plan what I want to plan. Get out of the way."
